- HTML,CSS
- C,C++

PROFILE

I am a 22-year-old, self-motivated third-year undergraduate student at the Sri Lanka Institute of Information Technology (SLIIT), pursuing a degree in Information Technology. I have a solid foundation in software development and mobile application design, with proficiency in Kotlin, Android Studio, and the MERN stack.

My experience includes developing various web and mobile applications, showcasing strong project management, leadership, and team collaboration skills. I am passionate about leveraging technical expertise to solve real-world problems and thrive on creating innovative solutions to make a positive impact.
